

apr.com – Translated into 43 Languages

Living as we do in an increasingly global marketplace, it is critical that homes be marketed to buyers wherever in the world they may be. The Internet provides the best opportunity of doing so. While many real estate companies claim to be international in scope, their websites are mono-lingual. In contrast, Alain Pinel Realtors' listings on apr.com are actually offered in **43 different languages**:

Albanian, Arabic, Bulgarian, Catalan, Chinese (Simplified), Chinese (Traditional), Croatian, Czech, Danish, Dutch, English, Estonian, Farsi, Filipino, Finnish, French, Galician, German, Greek, Hebrew, Hindi, Hungarian, Indonesian, Italian, Japanese, Korean, Latvian, Lithuanian, Maltese, Norwegian, Polish, Portuguese, Romanian, Russian, Serbian, Slovak, Slovene, Spanish, Swedish, Thai, Turkish, Ukrainian and Vietnamese.

In a multi-lingual world, Alain Pinel Realtors makes certain that your home is marketed internationally in a language offshore buyers will understand.
